AN UNUSUAL FRIEND

Jane loves animals. When she was a little girl she loved keeping animals in the garden and, sometimes, she brought them into the house too. But her mother did not like the idea. “Get those animals out of here!” she said. “If you want to keep them, use the shed in the garden.”

Jane’s animals were usually small rabbits and birds. But one day Jane’s mother noticed that food was disappearing from the house – especially bread and fruit. So she decided to go to the shed. When she was at the door, she could hear Jane talking inside. Her mother thought she was talking to a friend. First, she saw Jane sitting on the floor. Then, she saw an animal sitting next to Jane. It was a gorilla!

“I found it in the park”, Jane explained. “I talked to it and we became friends! And then it followed me home...”

“Well, you have to phone the police and explain what happened.” “This gorilla escaped from the zoo last week,” her mother said.

Two hours later, the police came with a van from the zoo. The zookeeper said “I can see that the gorilla likes you. But we need to take him back to the zoo. You can visit him when you like.”

1. What did Jane like doing when she was a child?

2. Why did Jane's mother go to the shed one day?

3. Where did Jane find the gorilla?

4. When did the gorilla escape from the zoo?

5. What happened to the gorilla in the end?

B. Complete the dialogue with questions from the box. There are FOUR extra questions.

Preadolescents 2 - Listening passage

Hi! I'm Glenn, Jane's best friend and I want to tell you about my last holidays. I went to Australia with my parents and my two brothers. We went to Sydney, a big city on the Tasmania Sea and we stayed in a big house with a garden and a swimming pool. We visited the zoo in the morning and saw a lot of animals. I loved the elephants!

In the afternoons we usually walked around the city or went to the park. I could see new plants and trees that I didn't know before.

I made a new friend in Sydney. His name's Josh and we are going to write over Facebook to keep in touch because we are both fans of nature and our favourite animal is the horse!
